Our Neighbors

Kurt and Sue Quint

Kurt and Sue have owned their Bayshore Village home at 158 Sandpiper Lane since 2007. While their permanent residence is in Fresno, they visit Morro Bay often and make the most of what Morro Bay and the surrounding areas have to offer.

Kurt grew up in Anderson, California, and moved to Fresno to work for the Sheriff's Department. He later worked for the Department of Corrections for several years and then changed careers to teach at Tulare County Office of Education where he has worked for over 15 years.

Sue grew up in Redding, then attended Cal Poly and Fresno State. With her degree in nursing, Sue has worked in several hospitals in many capacities in the Fresno area.

Married for 26 years, both Kurt and Sue are looking forward to early retirement which may include a third African safari! When in Morro Bay, you can find them walking their lovely whippet, Goldie, working in their garden, trying new recipes, taking cooking classes, wine tasting and visiting nearby attractions. And...Kurt is an avid squash player!

Animal Care

The San Luis Obispo County Animal Services has asked for fleece blankets and old towels. The kennels are a cold environment and get even colder and more uncomfortable for the animals during the fall and winter months. Donations are much appreciated. There is also a need for dog and cat food, preferably dry food.

Bayshore Village resident **Helen Sepulveda** can be reached at 772-7715 for further information and donation pick-up.
