Owners are responsible for making all who use their unit (tenants, friends and family) aware of these Rules. The common area is not a resort facility but a community endeavor where everyone is expected to consider the project area a joint responsibility to maintain, secure, and keep beautiful for everyone's pleasure. Rule violations are recorded against Owners/Units and not against specific individuals. Repeated rule violations by an Owner/Unit will be subject to fines.

Mission Statement and Goals of the Association

The purpose of the Bayshore Village Homeowners Association (“Association”) is to provide for the upkeep, maintenance and repair of the common property of the Association. The common property includes: Clubhouse area (Lot 1); clubhouse, pool and spa; landscaping with the common area; fences; exterior of all buildings (excluding windows and garage doors); and the paved areas (except for Bayshore Drive). The sewer lift station located in Bluffs Park is also an Association responsibility.

The Association wishes to provide the above services to the satisfaction of all Owners, utilizing good materials and workmanship.

For the general good of all Owners, the Association wants to maintain rules, regulations, policies and procedures which are an expansion of the CC&Rs and which require a minimum of regulation yet impose on everyone the responsibility to self-police the area, consider the wellbeing and welfare of all Owners and protect the property of all Owners and the Association. In all cases of conflict between the Rules and the CC&Rs, the latter is the final source of determination.

Clubhouse

A. The use of the Clubhouse by Owners and guests of Owners for showers, changing of swim clothes to street clothes and vice versa is a privilege of ownership at Bayshore Village. Owners are responsible for their guests. Facilities and equipment should not be abused or left dirty or wet. To reduce the hazard of wet floors, use the side entrance to the toilet and shower from the pool or spa area. Clubhouse hours are 8:00 a.m. until 10:00 p.m.

B. The use of the Clubhouse for parties and gatherings shall be arranged with the Clubhouse Coordinator(s) at least one week in advance and posted on the Clubhouse calendar. When the Clubhouse is reserved by an owner, that owner may have exclusive use of the Clubhouse for the time reserved. The requesting Owner shall sign the Association Sign-Up Sheet and submit the signed sheet with a \$50 deposit to the Clubhouse Coordinator. The deposit is refundable if the Clubhouse is clean prior to noon the following day and returned to its prior condition.

Replacement Clubhouse Door/Pool Gate keys may be obtained at a cost of \$200, no exceptions. Mail a check to the management company for the Association, currently The Management Trust, 1400 Madonna Road, San Luis Obispo, CA 93405

ALL PERSONS USING THE POOL DO SO
AT THEIR OWN RISK AND RESPONSIBILITY.

A. The hours for use of the pool and spa are from 8:00 a.m. until 10:00 p.m. daily, except for the days between Memorial Day and Labor Day when the pool is open at 6:00 a.m. for lap swimming only. At no time can lap swimmers deny any resident the quiet enjoyment of their unit. The pool area is not subject to reservation by Owners.

B. For safety and for liability requirements, the gate to enter the pool area is self-closing and self-locking. Entrance to the pool area requires a key to be used by the Owner. Climbing over the fence or lifting the gates to gain entrance is prohibited.

C. Glass containers are prohibited in the pool and spa area. Please clean up before you leave, and place all unwanted items in the trash receptacles.

K. No animals are allowed in the pool and spa area or the clubhouse.

Parking and Vehicle Restrictions (CC&R Sec. 8.16)

A. Sandpiper Circle, Sandpiper Lane and Clubhouse Drive are fire access lanes. Parked vehicles should not intrude into these lanes. No sunshades, awnings, canvas, ornamental screens or any other window covering shall be installed on the exterior of a residence, including the exterior walls within patios or balconies, without the prior written consent of the Board. (See CC&R Articles VII concerning modifications and IX concerning homeowner responsibility for maintenance.)

The following uses are allowed in a homeowner's Exclusive Use Common Area. Each is subject to review by the ACC and Board of Directors if problems are reported or any of these uses become extreme. The intent is to allow each homeowner to reasonably use their unit and surrounding area while maintaining the Bayshore Village "look and feel".

1. Bird Feeders/Bird Houses. Homeowners may place bird feeders and/or bird houses in their Exclusive Use Common Area but not directly on or above the railings of the porch, deck or stairs

Flower pots must be so placed as not to obstruct or significantly restrict travel or ingress/egress to their unit in an emergency situation. *Homeowners are responsible for maintaining plants to assure that limbs or branches are not in contact with the exterior of the unit. To prevent/minimize dry rot and other maintenance issues, flower pots must be placed as follows:*

- a. No plant should be placed on or hung above the railings of any porch, deck or stairs or exterior wall.

- c. Hanging plants may be placed above the floor of decks or porches, but not on or above the railings, only if they have an adequate drip pan attached to the pot.

3. Inanimate Objects. Homeowners may place inanimate objects (such as outdoor furniture, statues, artificial plants, etc.) in their Exclusive Use Common Areas only. They must have an adequate space between the base and a deck to provide for adequate ventilation and easy cleaning. Large statues may not be over 3 feet in height and cannot be placed on the railings of the porches or decks.

4. Barbeques. No charcoal barbeques or propane barbeques with the capacity of greater than two and a half (2-1/2) pounds may be used within ten (10) feet of a combustible part of any structure. (California Fire Code Secs. 308.3.1 and 308.3.1.1 adopted in 2007)

5. Solar Lights. Small decorative solar lights may only be placed in the Exclusive Use Common Areas and stairways leading to residences.

6. Bird Baths/Fountains. A bird bath or fountain may be placed in the Exclusive Use Common Area. They may be placed on the porch or deck floor but must have an adequate space between the base and the deck to protect the deck from water and to provide for adequate ventilation and easy cleaning. They may not be placed outside the Exclusive Use Common Area or on or above the railings of the porch, deck or stairs.

IV. COMMON AREA USES

In general, Common Areas are owned and fully maintained by the Homeowners Association for the mutual benefit of all owners and residents. Owners and residents are NOT allowed to permanently place or affix any items in or on these areas.

Each of the following is subject to review by the ACC and/or Board of Directors if problems are reported or any of these uses become extreme.

1) Flags. Each owner may display no more than one flag as follows: An American flag affixed to the exterior of their unit, using a standard bracket, OR a non-commercial flag no more than 15 square feet affixed using a standard bracket.

2) Signs. "For Sale" or "For Rent" sign of reasonable size may be temporarily placed on the exterior of an owner's unit as detailed in the CC&R Sec. 8.13.

3) Gates. A pedestrian or pet gate may be allowed at the entrance to an owner's Exclusive Use Common Area yard or porch with prior approval of the ACC and the Board of Directors.

4) Refuse Containers. Refuse containers shall be stored in garages, screened from view so they are not visible from the street or any other lot in the Common Area. They may be set out for a reasonable period of time before scheduled pick-up times. Containers must be off the streets by the end of the day of pick-up. (CC&R Sec. 8.8)

Owners are responsible to repair or replace, or pay for repair or replacement, of any damage to the Common Area facilities or equipment caused by family, friends or tenants of Owner(s). This includes landscaping. Under CC&R Art. V, the Board may levy an assessment for the cost of the repair and/or/replacement plus attorney fees.

Action Taken for Violation of Rules (CC&R Sec. 15.6B.)

In most instances of minor and/or infrequent violations, it is the intent of the Association to informally request the Homeowner to comply with the Rules. If such informal intervention fails to result in compliance, or if the infraction(s) repeat, then the following fines may be imposed;

First violation	Written Courtesy Notice
